

**UNITED CHRISTIAN COUNCIL IN ISRAEL**  
**MINUTES OF THE EXECUTIVE COMMITTEE MEETING**  
**Thursday, February 15, at UCCI Office in Jerusalem**

2000

**1.0 DEVOTIONS:** [Ron Jones]

**Text:** 2 Kings 22:1-2 “God’s purpose realized, even when our plans are not realized.” Josiah’s father and grandfather were ungodly men. His grandfather Manasseh was so evil that he “*seduced [Judah] to do more evil than the nations had done whom the Lord destroyed before the people of Israel*” [2 Kings 21:9], and “*filled Jerusalem from one end to the other with innocent blood*” [21:16]. His father followed the same path. So Josiah, howbeit a small boy when crowned king, determined to do what was right in the eyes of the Lord, and “*walked in all the way of David his father, and he did not turn aside to the right hand or to the left*” [22:2]. His radical obedience is unmatched in the lineage of the kings of Judah. His reforms included a renewal of the covenant, celebration of the Passover, and cleansing the land of idolatry. Yet all the good that he did was not enough to prevent God’s judgment when Jerusalem was over run by the Babylonians within a few years of his death. His righteousness was a light that shown for a brief time and then darkness fell. God’s purpose for ministries like Josiah’s must not be belittled. Even when our efforts don’t result in realizing a long-term ambition, God has a purpose even greater than we imagined. God is in charge and He always stays, even when a ministry is short-lived.

**4.0 MINUTES OF December 7 EXCOM MEETING**

Approved with minor corrections in spelling.

**5.0 REPORTS**

**5.1 Chairman** [Chuck Kopp]

He is strongly encouraging those with 15 or more years with an A-3 visa to apply for permanent residence. It’s possible that this will make room for others to receive clergy visas.

With all the transitions in the Department of Religious Affairs desk, we were reminded that it’s customary to invite the director, now Dr. Nissim Dana, to the UCCI Annual General Meeting in May.

Authorization by the State for pastors to perform weddings is granted on a very arbitrary basis, and recently Chuck has had to sign for others who performed weddings.

MAC is still following the plight of the 3 Ethiopian sisters. Their petition of appeal of the ruling that they be deported was at first denied, and now it appears will be taken

up by an inter-ministerial committee. A number of Ethiopian believers are having problems with the government in connection to their I. D.'s and other matters.

**5.2 Treasurer** [David Newman]: See attached Treasurer's Report & 2001 Proposed Budget. Editorial notes:

Treasurer's Report:

- Difference in budgeted "fees income" for 2000 and actual income due to some fees for 2000 being paid at the end of 1999;
- Only one organization that did not pay fees for the year 2000;
- Extra expense in office in year 2000 due to purchase of copier;
- In Scholarship Fund, 4020 NIS was added to the budget by transferring funds from the Literature Fund for a total of 11,520 NIS expense;
- Expense in Ebenezer fund came from a \$1,000 contribution;
- Decrease in Torch income and expense due to our phasing out this ministry.

Proposed Budget:

- 12,300 NIS from forwarded balance is earmarked for Scholarship Fund; to this was added 5,700 NIS to total 18,000 NIS Scholarship Fund budget;
- The 15,000 NIS designated as Misc. income in the General Fund is being transferred in from the Literature Fund.
- The budgeted expense for line 18, Mishkan, reflects EXCOM's decision to subscribe to Mishkan for all member bodies for one year.
- Line 20, Torch, will involve no expense since we are no longer printing this material; inventory is down, but proceeds from sales still coming in.
