1. They are trying to figure out what direction going
2. Evangelism, discipleship, start - it!
3. Leadership, have grown, narrowing, substitutional local
4. direct evangelism, not leading churches

5. Camps

- A. Baptists don't do camps
- B. will require to locals for camps to be
- C. run by locals
- D. money to be redirected to larger population
- E. Loads live at village, let out to groups to pay cooks etc.

write to people in London (Philip says 50 years ago already known in mission field support mature Christian missionaries + not do any ministry camps - maybe? *Bapt. - just midwives, no missionaries*)

{ All I hear is gobblegook - strategy, guide book from up, up, up - each one diff. responsibility, unilateral immediate (local) decisions.

Problems

1. specialising one outreach
  2. neglecting
    - a. reaching those who get saved at camps + conferences
    - b. building up in faith
    - c. not turning out leadership
- who will run churches started
