Dear Jeanine

I have a feeling you may be leaving today so I am also sending the minutes to Peter Wells.

I have made a few amendments. Additions in CAPITALS; anything to be removed in (brackets).

I could not understand what was meant by the phrase in 5.4.6 '...to pay Israeli government officials...' I don't think we were discussing how much we should set aside in the budget for bribes!??

Thanks for all the work you are doing

Every blessing

Ray
